

# AGAPE

IS

## LOVE that is wholly selfless and spiritual

### **1Thessalonians 5:16-18**

“Rejoice always, pray without ceasing, in everything give thanks, for this is the will of God in Christ Jesus for you.”

The most precious gift we give to the Emmaus weekend is our prayer.

### **1 Thessalonians 5:24** “He who calls you is faithful, who also will do it.”

Please consider signing up for the Fall Prayer vigils for both the men’s and women’s walk. You can find this on this website. Sign up for 30 minutes of absolute one on one with your Heavenly Father to lift each pilgrim and each member of the team up in prayer .....you will be so blessed by the experience....

If you are interested in providing agape for the upcoming walks, please consider the following:

**Coloring Placemats** – I will have these at the next Gathering on June 19<sup>th</sup>

**Tissue Holders** – For those Wakefield Allergies that get to us up there! The pattern for these is:

(Thanks Margaret!!)

**Pocket Tissue  
Cover**

Our cover fits a small package of tissue: 1" thick x 4.5" x 2.5"  
Convenient envelope back opening allows easy insertion of tissue package. These instructions use 1/4" seam allowance.

## **Supplies –**

***we use these for both men's and women's walks. Please make enough for a whole walk – 70***

### **Fabric -**

Two pieces: each 4.5" x 6.5" (for cover top)

Two pieces: each 4.25" x 4" (for cover bottom)

### **Other**

Thread to match background of fabric.

A large sewing ruler

scissors or rotary cutter

pins

Fabric marker (or pencil)

## **Directions**

### Create Cover Top

1. Place your two cover top pieces right sides together. Using a sewing ruler, draw a 2" line, lengthwise, from each end. The line should be in the center of the fabric.

2. Stitch along lines marked. Be sure to back-stitch at each end of stitch lines.

3. Fold DOWN the upper half of the top layer, folding along the stitch lines.

4. Turn piece over. Fold UP the lower half of the top layer (fold up from bottom), folding along stitch lines. Press.

You now have a finished top, with a finished opening for tissue. Trim your finished piece to a size of 4.25" x 6.25".

**Create Cover Bottom  
(with envelope back opening)**

1. Turn under one edge of the 4" side to create a 1/4" hem. Press and stitch the hem. Repeat for the other piece. You will now have two bottom pieces, and one finished top piece.

2. Place one bottom piece right sides together with the top piece, aligning the unhemmed edge of the bottom piece with the lower edge of the top piece.

3. Place the other bottom piece right sides together with the top piece, aligning the unhemmed edge of the bottom piece with the upper edge of the top piece.

4. Stitch 1/4" from edge, around all four sides.

Trim corners, turn cover right side out through back or front opening. Insert tissue package.
