

WARM FUZZIES

Material: Red Hear 4 ply yarn, color "Mexicali" (Rainbow)

Directions: Take a 12 " piece of yarn and place it horizontally on both sides of a 2" high piece of cardboard. Wrap yarn around the 2" piece of cardboard enough times to make the pompom nice and full (70 times works well)! Tie the horizontal piece around middle of the wrapped yarn tightly. Slip it off of the cardboard as you do so. Cut end of the loops of yarn to make the pompom (even up the ends if necessary by trimming with a scissors). Knot the long ends of yarn used to tie the middle of the fuzzy at the ends to make a loop to hang the pompom. Attach a small safety pin at the knot.
