

We welcome TW94 and TW95 into the community and we trust that your 4<sup>th</sup> Day is just as rewarding and full of blessings as your weekend.

Each event throughout the weekend was intended to bring you closer to our Lord and Savior. There may have even been times that you actually saw His face through the love and support of others.

While it is true that the world didn't stop while you were away nor did your friends view things differently because you participated in "The Walk to Emmaus": but, they may view you differently because of the transformation that occurred within each and every one of you.

We pray that as you continue your pilgrimage into each new 4<sup>th</sup> day, you will continue to grow and change. We pray that this growth and change will be evident to those around you and that it can be a spark that will ignite others because they have seen the Christ in you.

So go out with your renewed love of Christ and your new Christian friends and as Jesus said, "Make Disciples of All Nations".

## From the Director of Weekends

WOW! The Women's Weekend was incredible. What a blessing to all you gentlemen and ladies of TW94 and TW95 blessed by all the agape - stuff plus the community showing up for Candlelight, Sunrise and closing. I was impressed at how well the CST and Teams worked together.

Since it is my job to handle the contracts and liaison with the Wakefield 4H Center, I was very pleased with all the arrangements and facilities provided by them for both the Men's and Women's Walks. The facilities are maintained so well and the staff was attentive to our needs. Hope you enjoyed the food they prepared! I always astound myself that I can still eat by Sunday. Must be all that fresh air!  
See y'all at DODU!
